HANSHI UPDATE NO 2

British Karate Kyokushinkai

As you are aware Hanshi needed to undergo surgery for a long standing condition and he specifically asked that this information was kept private and did not share this until after the operation.

Hanshi is now doing well and at home.

Obviously he will need a period of rest and convalescence and needs to take it easy – which will not be easy for him!

We would ask that you respect both his (and his wife's) privacy for the moment and we request that you do not phone him for a while. We will issue regular updates advising you all on his progress and recovery.

We wish him well and a speedy recovery and hope to see him fighting fit in the new year.
